**OLD COUNTY ROAD STREET LIGHT IMPROVEMENTS PROJECT
CITY CONTRACT NUMBER 2017-556
ADDENDUM NUMBER 2 – DATED Wednesday, November 8, 2017**

Acknowledge receipt (below). Fax acknowledgement to (650) 593-8394. This signed Addendum shall accompany the Bid.

Company

Name

Date

Notice is hereby given to prospective bidders that the Plans and Specifications for the subject project are modified as set forth in the Addendum Number 1.

This Addendum shall be attached to, and form a part of, the Plans and Specifications for the construction of the **Old County Road Street Light Improvement Project, City Contract Number 2017-556**, on which to bid. A conformed set of plans and specifications will be issued after award of the contract.

SPECIAL PROVISIONS, PART I (Page 72) shall be added with the following:

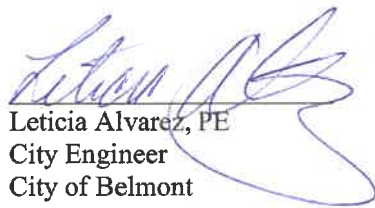

Note: The contractor is advised that an underground fiber optic cable (Cable) part of the SMART Corridor project is on Harbor Boulevard and on Ralston Avenue, both of which cross Old County Road. The Contractor shall locate the Cable by potholing or the use of any other appropriate method and work around the cable. Full compensation for furnishing all labor, materials, tools, equipment and incidentals necessary for doing all work involved in locating the Cable, temporary supporting the Cable in place, and working around the Cable, as directed by the Engineer, shall be included in the unit prices paid for the various Contract items of work, and no separate payment or additional compensation will be allowed therefore.

ELECTRICAL PLANS shall be replaced with the attached.

Note that the only updates made from Addendum 1 were on the following:

- 1) "County" was capitalized under the Permit Section on Sheet SL-1.
- 2) The City Standard Detail for the street light foundation has been updated on Sheet SL-2.
- 3) "Remove existing tree, plant, and irrigation to place new light in planter cut-out" has been added to one street light location on Sheet SL-3.

Acknowledgement of Receipt of this Addendum to be submitted with the bid proposal.

Leticia Alvarez, PE
City Engineer
City of Belmont
